DOUBLE HEAD DRILLING SYSTEMS

ROTARY HEADS FOR PILE RIGS

DRILLING ACCESSORIES

Coring Heads

Eurodrill Coring Heads were developed to meet accordant requirements and conditions. The compact design of those rotary heads provides capacities for deep hole drillings as well as for short exploration drillings, both for above ground as well as for underground applications.

Advantages

Modular and compact design requires only small room

A cooling system is available for all Coring Heads

Central supply of all mechanical components

Compatible to drill rigs from all manufacturers
